ages....

In partnership with MakeBelieve Arts, Lewisham Youth Service and Lee Green Lives, the Community Centre seeks to bring the vitality back to the Lee area.

Taking place in and around the former Nail Bar in Leegate shopping precinct, programmes supported by the Meanwhile Project and the Mayor's Fund, voted on by the Lee Green Local Assembly, seek to bring the space to life and work with the local community in a range of family activities. From parent-and-toddler music groups to gardening and allotment keeping, we hope people will want to join us making Lee Green a place to be proud of.

All welcome
